Dear Chris,

Ref: Starglaze Website

We just wanted to write to say a very big thank you, for all of the effort that you and your team have put into our new website.

We are very pleased with the finished outcome; it is even better than we originally envisaged. We know that we had very specific requirements, which I have to say in all honesty, you managed to exceed.

It is so great to have a website thats design is consistent with the rest of our promotional mix, one that is actually up to date, and one which we can be proud to refer our customers to.

So, thank you once again for all of your effort, it was a pleasure working with you all. If you ever need a recommendation, we would be more than happy to provide one.

Kind Regards

Yours sincerely
